

TECHNICAL DATASHEET

FLUORITE S1P

Ref. 9FLU160 Sizes 3

S1P SRC HRO

DESCRIPTION

FLUORITE is a low safety shoe inspired by the running universe. Its upper made of polyester mesh and KPU (Thermoplastic polyurethane) provides great breathability and improved durability. The Polyester mesh lining offers comfort of use, just as its insole in textile and EVA with holes. The EVA/rubber outsole offers excellent cushioning, durability and grip. FLUORITE is metal free. It features a composite toe-cap and an anti-penetration plate made of textile which ensure both protection and flexibility. This shoe is ideal for work environments such as logistics, construction finishing works or DIY.

STANDARDS

This shoe conforms to the personal protective equipment model covered by the EC type-examination certificate **2777/13373-01/E00-00**. Delivered by **SATRA (2777)**
